

# Interactive Business Stakeholder Workshop: **Business Perspectives on Energy Efficiency Policy**

**You are invited to the two-day Business Stakeholder Online Workshop "Business Perspectives on Energy Efficiency Policy", which will take place on June 15th-16th, from 10:00 to 12:00 a.m.**

This interactive workshop for Cyprus is organized by the Cyprus Energy Agency, in cooperation with the Cyprus Employers and Industrialists Federation (OEB), in the framework of the 'Energy Efficiency Watch 4' project, which promotes the implementation of energy efficiency in the EU.

The scope of the workshop is to discuss enabling factors for successful energy efficiency measures and policies in Cyprus and the EU. Therefore, participants will have the opportunity to exchange their experience and develop argumentative drivers for an effective implementation of energy efficiency instruments.

Moderator of the event is the Director of GuideHouse and expert on Energy, Sustainability and Infrastructure, Mr. Daniel Becker.

*The language of the workshop is English and the participation in it is free of charge. A detailed agenda is attached.*

**To secure your spot at the workshop, register here.**
